Bottles for Books: The Kiwanis Club of CK with The Dolly Parton Imagination Library to Support Children's Literacy

Chatham-Kent, Ontario - On Saturday, January 6, 2024, The Kiwanis Club of Chatham-Kent is proud to announce its partnership with the renowned Dolly Parton Imagination Library to foster children's literacy through an innovative fundraising event - Bottles for Books.

Recognizing the crucial role that access to books plays in a child's development, The Kiwanis Club of CK has embarked on a mission to raise funds for children's books through an unconventional approach. Residents are invited to participate by donating any empty liquor and beer bottles. These donations will directly contribute to providing books for children in Chatham-Kent.

"The power of reading and imagination in a child's life cannot be overstated," expressed Jennifer Paradis, membership chair for The Kiwanis Club of CK. "By supporting Bottles for Books, not only are you recycling and contributing to a cleaner environment, but you're also giving children the gift of education and imagination."

Here's how you can participate: On January 6th, between 10 am and 2 pm, simply leave your empty liquor and beer bottles in your driveway for pickup by our dedicated volunteers. Every bottle donated is a step towards empowering a child's future through literature.

The Dolly Parton Imagination Library, renowned for its commitment to early childhood literacy, shares The Kiwanis Club of CK's vision of nurturing young minds through the joy of reading. This collaboration amplifies the impact, ensuring that more children have access to quality books that ignite their imagination and passion for learning.

Join Kiwanis CK and the Dolly Parton Imagination Library on January 6th as we come together to turn empty bottles into opportunities for children's education. Your support can help write a brighter chapter in the lives of our community's children.
